Meeting Called to Order

2021-2022 Expense Review - ARPA Grant Received.

\*Pumpkin Patch Maintenance and Front-End Loader Budget Review. Projected: \$17,000 for loader and \$12,000 for the maintenance.

\*Culverts 2022 discussed (Fairmont)

\*IT Improvements removed

Walden Paving List 2022 Provided from Town Engineer. Still needs to be bid on – Priority List of 1 and 2 – 1 being an immediate need and 2 being important.

Cost of doing Priority #1, as the cheapest option - \$263,845.00

Cost of doing Priority #2 - \$196,950

Each option has some variation as an “either/or” depending on how the paving is done.

**Committee recommendation Motion to use from the ARPA Funds**

Pumpkin Patch - \$12,000 for Maintenance, \$17,000 for the Loader = \$29,000 - Motion Approved

Discussed Possible new Grant in regard to Culverts, Broadband, and Sewer. Will look further into the possibility to add the Grant.

From the floor: McCoy Farms & Gardens – Provided a breakdown of Projects, Cost, and Priority levels for future projects. Discussed project overview. Discussion on land purchases, camps, revenue.

Civic League presentation followed McCoy. Also provided a detail breakdown of the Civic League, history, and what the needs are.
